AMERICAN ACADEMY
OF COSMETIC SURGERY

We are thrilled to be returning to a live, in-person format. The American Academy of Cosmetic Surgery's 2022 Annual Scientific Meeting will take place at the beautiful Mandalay Bay Hotel in Las Vegas, Nevada, on February 3-5, 2022. The optional full-day Facial Cosmetic Surgery Cadaver Course will occur the day before, on February 2, 2022.

The **Immerse in Perfection – Advances in Cosmetic Surgery** theme will be certain to embrace our shared desire for an enhanced learning experience like no other.

We hope you will make plans to join us where cosmetic surgery practitioners from all over the world share new findings, new research, new techniques, new pearls, and new ideas. We have an exciting and packed event, and we look forward to welcoming you.

WHAT YOU WILL EXPERIENCE

REGISTER AT
aacs2022.cosmeticsurgery.org

As an attendee, you will have three days to network, learn and share ideas with industry leaders from across the country.

Our lineup of speakers for the **28 educational sessions** includes subject experts in the field of cosmetic surgery.

CAN'T JOIN US IN LAS VEGAS?

You can still be a part of the meeting by purchasing the recorded meeting.

If you cannot join us in Las Vegas, you can still be a part of the meeting by purchasing the recorded meeting. The recordings will be available from February 22 – May 22, 2022. Please note that CME credit is not available for the recording.

- You will enjoy keynote presentations and ground-breaking didactic sessions on the latest techniques and procedures in cosmetic surgery, some of which include: face lift, breast, rhinoplasty, liposuction surgery, body contouring, skin rejuvenation and hair restoration, best devices for skin and body treatments, and male/female G/U specialty session. Panel discussions on complications and high-impact sessions on aesthetic medicine topics will be included.
- Hear Legends of Cosmetic Surgery, decipher the Story Behind the Photo, and participate in Breakfast with the Experts small group discussions. Don't miss the practice management sessions and risk management for malpractice prevention. We have several master sessions planned plus specialized sessions for Allied Health, New Surgeons, and our popular Residents Forum.
- You'll want to make time in your schedule to visit the exhibit hall to see first-hand many new products and services on the market! And if you like, participate in our "Exhibitor Passport to Prizes" Game and have a chance to win excellent prizes!
- Be sure to save enough energy for our social and networking events. The Welcome Reception is open (and free) to all attendees! We have lunch planned each day and for the final day, "Lunch and Libations." We are planning a special Webster Event...get ready...our very own, Webster Society Supper Club! We encourage all attendees to purchase tickets and join us for this elegant and super fun evening.

FEATURED SPEAKERS

KEYNOTE

Andrea Moreira, MD

"Breast Resensation"

SESSION 4

Thursday, February 3, 2022
9:00am

Dr. Moreira is a board-certified plastic surgeon specializing in the use of advanced techniques

in breast reconstruction. She recently joined Allegheny Health Network (AHN) in Pittsburgh, where she serves as Co-Director of the Microsurgery and Breast Reconstruction Program in the AHN Division of Plastic Surgery. Dr. Moreira received her medical degree from the University of Para Medical School in Brazil and completed her general surgery residency at the Cleveland Clinic. Dr. Moreira will speak on "Breast Resensation."

WEBSTER LECTURE

C. William Hanke, MD

SESSION 16

Friday, February 4, 2022
9:15am

Dr. Hanke has a reputation for excellence in dermatologic surgery, laser, and cosmetic

surgery that extends around the world. A graduate of the University of Iowa Carver College of Medicine, Dr. Hanke completed a residency in the Department of Dermatology at the Cleveland Clinic and then completed fellowship training at the Cleveland Clinic (Mohs Micrographic Surgery) and Indiana University School of Medicine (dermatopathology). He also earned a Master's Degree in Epidemiology from the University of Hawaii School of Public Health.

Before founding the Laser and Skin Surgery Center of Indiana, in Indianapolis, Indiana, in 1998, Dr. Hanke served as Professor of Dermatology, Professor of Otolaryngology-Head and Neck Surgery, and Professor of Pathology at IUSM. He was the first physician in the United States to be awarded the triple Professorship. He has taught live surgery instructional courses to physicians in Brazil, Mexico, Portugal, Spain, Italy, and Germany.

Supper clubs are the hot trend in Las Vegas! Bellagio has "The Mayfair Supper Club," Wynn opened "Delilah" in July 2021, and the Cosmopolitan opened "SuperFrico" in September 2021.

We are creating our own supper club for one night only!

The Webster Society Supper Club at Mandalay Bay is a modern take on a classic American restaurant where vintage dining, classic cocktails and entertainment collide to make up the show. As a throwback to the days when supper clubs became popular, our event will have a flare of the 1930-1940s.

JOIN THE WEBSTER SOCIETY

Those who donate \$1,200 per year, or what equates to \$100/month, to the Cosmetic Surgery Foundation become a member of this special group. Webster Society donors receive 2 tickets to the Webster Event plus other acknowledgments. The donation is tax deductible as a charitable donation.

**Please consider showing your support of the
AACS & CSF by joining the Webster Society!**

You may make your donation at the same time as registering for the Annual Scientific Meeting.

Other donation levels include:

Leader \$750, Ambassador \$500, and Advocate \$250.

Attend Anyway - All Are Welcome!

Even if you are not a member of the Webster Society, we cordially invite you to attend the Webster Event.

Tickets may be purchased during the Annual Scientific Meeting registration process. We have planned a special evening with great food, atmosphere, entertainment, dancing and camaraderie.

Dr. Richard Webster

The Webster Society was named after Dr. Richard Webster, the "Father of Cosmetic Surgery," who was a generous educator and stood for the principles of inclusivity, education, and patient safety.
